

NOVEMBER 2021 | IASED

Newsletter

DATA SCIENCE, APPLIED MATHEMATICS AND
COMMUNICATION ENGINEERING

This issue, we're covering:

DMKD 2022

AMS 2022

JCICE 2022

Keep up with the latest events

WORDS FROM IASED OFFICE:

Already thinking about the plan to attend event in 2022?

If you are looking for event themes such as Data Science, Applied Mathematics and Communication Engineering, there are three conferences organized by The International Academy of Science and Engineering for Development that you would not want to miss.

DMKD 2022

2022 International Conference on Data Mining and Knowledge Discovery

20-22 May, 2022

We are living in a world that is more and more a digital world. Most of the economy, education, social interactions, etc. is digital. As the pandemic crisis evolve, we can still develop social interactions, maintain schools and universities work, continuing trading, buying, and selling using e-commerce platforms. The importance of computers, networks, and communications never has been so relevant as on those days!

AMS 2022

2022 Asia-Pacific Conference on Applied Mathematics and Statistics

20-22 May, 2022

Such general conferences as those under this series of international conferences on Applied Mathematics and Statistics bring together participants who share similar or overlapping research interests. The participants of AMS 2022 should take full advantage of this excellent opportunity to develop long-lasting professional friendship and research collaboration.

JCICE 2022

2022 International Joint Conference on Information and Communication Engineering

20-22 May, 2022

The JCICE 2022 would provide you an ideal platform for keeping up with advances and changes to a consistently morphing field. Leading researchers and industry experts from around the globe will be presenting the latest studies through papers and oral presentations.
