JCICE 2025

2025 4th International Joint Conference on Information and Communication Engineering (JCICE 2025) will be held in Harbin, China on July 25-27, 2025, which is organized by Heilongjiang University and Chengdu University of Information Technology, and co-organized by Jiangsu University of Science and Technology.

2025 4th International Joint Conference on Information and Communication Engineering

Harbin, China | July 25-27, 2025

The conference provides a suitable platform to all academics, leading researchers, professionals to share their knowledge, exchange insightful ideas, present recent research, discuss future trends and challenges of information and communication engineering fields. All academic practitioners around the world are encouraged to submit their research abstracts, papers and posters based on conference scope, and present their work through demonstrations, tutorials, oral and poster presentations at the conference.

Harbin, China

Organizers:

黑龙江大学
HEILONGJIANG UNIVERSITY

成都信息工程大学
Chengdu University of Information Technology

Co-organizer:

江苏科技大学
JIANGSU UNIVERSITY OF SCIENCE AND TECHNOLOGY

General Chairs

Erfu Wang
Heilongjiang University, China

Qun Ding
Heilongjiang University, China

Call for Papers

Topics of interest for submission include, but are not limited to:

- Advanced Database
- Broadband Access Control
- Data communications
- Data Mining
- Decision Support
- Information Retrieval
- Intelligent Data Analysis
- Intranet Technologies and Services
- Knowledge Discovery
- Knowledge Management
- Mobile ad-hoc networks
- Mobile and Ubiquitous security
- Mobile Applications & Services
- Wireless Access Control
- Wireless communication
- Wireless Sensor Networks and Applications
