2026 5th International Joint Conference on Information and Communication Engineering

Chengdu, China | July 31–August 2, 2026

Welcome to JCICE 2026

It is with great pleasure that we invite you to the 2026 5th International Joint Conference on Information and Communication Engineering (JCICE 2026) which is scheduled to be held in Chengdu, China on July 31–August 2, 2026. JCICE 2026 is organized by Chengdu University of Technology, hosted by School of Mechanical and Electrical Engineering, Chengdu University of Technology, co-organized by Chengdu University of Information Technology and Jiangsu University of Science and Technology, and technically sponsored IEEE Chengdu Section.

The conference provides a suitable platform for all academics, leading researchers, and professionals to share their knowledge, exchange insightful ideas, present recent research, discuss future trends and challenges in information and communication engineering fields. All academic practitioners around the world are encouraged to submit their research abstracts, papers, and posters based on the conference scope, and present their work through demonstrations, tutorials, oral and poster presentations at the conference.

Organized by

Chengdu University of Technology, China

Hosted by

School of Mechanical and Electrical Engineering, Chengdu University of Technology, China

Co-organized by

Chengdu University of Information Technology, China
Jiangsu University of Science and Technology, China

Technically Sponsored by

IEEE Chengdu Section

Key Dates

First Round

Abstract Submission Due: March 15, 2026

Full Paper Submission Due: March 31, 2026

Author Notification Due: April 30, 2026

Registration Due: May 31, 2026

Camera-ready Submission Due: June 30, 2026

Main Conference: July 31–August 2, 2026

Publication

Registered and presented full papers will be included in the JCICE 2026 digital conference proceedings and submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

Submission Guidelines

- Manuscripts submitted to the conference should be written in English only.
- Manuscripts submitted to the conference should follow the template provided.
- Manuscripts can be submitted in Doc, Docx and PDF format.
- Oral or Poster presentations should be nominated while submitting an abstract.
- The ordinary length is suggested no less than 5 pages, including all figures, tables, references, and appendices. If the paper exceeds 5 pages, the additional pages will be charged at the time of registration.

For paper template, please visit: www.jcice.org/sub.html

Call for Papers

Please visit: www.jcice.org/cfp.html for more information.

Topics of Interest include but not limited to:

- Cloud Computing, Mobile and Green Computing
- Data Communications
- Information and Communication Networks
- Information Retrieval
- Intelligent Data Analysis
- Knowledge Discovery
- Mobile and Ubiquitous Security
- Mobile and Wireless Technologies (UWB, MIMO, WiMAX, etc.) and Networks
- Mobile Applications & Services
- Mobile Applications Development Environment & Tools
- Mobile Network Traffic Engineering, Performance & Optimization
- Mobile Wireless Internet
- Network and Data Security
- Operating System and Middleware Support for Mobile Computing
- Signal Processing for Wireless Communications
- Wireless Communication
- Wireless Sensor Networks and Applications
- Wireless Access Control
- Wireless & Mobile Network Management and Service Infrastructure

Conference Venue

Chengdu University of Technology | 成都理工大学

Address: No. 1, East Third Road, Erxianqiao, Chenghua District, Chengdu City, China
