

2026 10th International Symposium on Computer Science and Intelligent Control (ISCSIC 2026)

Nanjing, China | September 11-13, 2026

► Welcome to ISCSIC 2026

2026 10th International Symposium on Computer Science and Intelligent Control (ISCSIC 2026) is organized by Southeast University, hosted by School of Automation, Southeast University, co-organized by School of Interdisciplinary Science, BIT, School of Artificial Intelligence and Automation, HUST, and CoreShare Academic Exchange Center, and technically co-sponsored by IEEE and IEEE Nanjing Section. The conference is scheduled to take place in Nanjing, China on September 11-13, 2026.

ISCSIC focuses on theory and applications mainly covering the topics of unmanned systems, cyber-physical systems, computer vision, image and signal processing, pattern recognition, artificial intelligence, navigation and guidance, autonomous decision-making and control, Information security, intelligent systems, robotics, industrial process control, big data analytics, modeling and optimization. We will invite prominent domestic and international academicians and researchers in the areas of the conference to give presentations and share their work for interaction and discussions. This conference aims to bring together researchers in the areas related to Computer Science and Intelligent Control in a single platform and present their stimulating research and knowledge transfer ideas in both Computer Science and Intelligent Control. In addition to the technical sessions, there will be invited sessions, plenary panel sessions and keynote addresses.

► Keynote Speakers

Xin Yao

Lingnan University, China
IEEE Fellow

Hesheng Wang

Shanghai Jiao Tong University, China

Chao Shen

Xi'an Jiaotong University, China
IEEE Fellow

Zhongkui Li

Peking University, China

Tao Yang

Northeastern University, China

2026 10th International Symposium on Computer Science and Intelligent Control (ISCSIC 2026)

Nanjing, China | September 11-13, 2026

► Key Dates

Abstract Submission Deadline: July 1, 2026
Full Paper Submission Deadline: July 15, 2026
Author Notification Deadline: August 5, 2026
Registration Deadline: August 26, 2026
Camera-ready Submission Deadline: August 26, 2026
Main Conference: September 11-13, 2026

*Note: all dates refer to PST/PDT time, i.e. Pacific Time Zone

► Publication

Registered and presented full papers will be included in the ISCSIC 2026 digital conference proceedings (ISBN: 979-8-3195-2369-3), which will be published by IEEE and submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements, and also submitted to major citation databases (including, but not limited to Ei Compendex and Scopus) for review and indexing.

► Special Sessions

Session I

Multimodal Perception and Intelligent Control for Embodied Intelligent Systems

Session IV

Formation Intelligent Control and Decision-Making: Theories and Applications

Session VII

Frontiers of Intelligent Systems: AI-Driven Control, Autonomy, and Emerging Challenges

Session X

Intelligent Monitoring and Collaborative Optimization for Complex Processes

Session II

Data-Driven Intelligent Decision-Making and Optimization

Session V

Safe and Resilient Distributed Control for Autonomous Multi-Agent Systems

Session VIII

Computer Vision

Session XI

Intelligent Decision-Making and Control for Multi-Agent Systems

Session III

Advanced Intelligent Control for Multi-Agent Systems

Session VI

Game-Theoretic Decision-Making under Incomplete Information for Clustered Swarms in Dynamic Open Environments

Session IX

Safe Control and Collaborative Optimization for Autonomous Swarm Confrontation

Session XII

Intelligent Sensing and Applications
